16. Limitation of Liability. User acknowledges that the price of PMX in the Order is predicated on the enforceability of the following limitation of liability, that the price would be substantially higher if PM could not limit its liability as herein provided, and that User accepts this limitation of liability in exchange for the lower price. PM's sole liability to User, and User's exclusive remedy claims in any way related to or arising under this Agreement or the Order, or under any other theory of recovery, shall be limited as follows" (i) at PM's sole option, PM shall either repair PMX in the Order or refund User the amount it paid for defective PMX in the Order ; (ii) in all other cases PM's total aggregate liability to User hereunder shall not exceed the purchase price paid by User for the specific PMX from which any claim for damages may arise or \$100 if no price has been paid. Notwithstanding the foregoing, in no event shall the PM Parties be liable in any way for any claims for any indirect, special or consequential damages, lost profits, lost data, loss of business, whether foreseeable or not, incurred by User or any other person relating in any way to this Agreement or the Order, whether or not PM or User or person has been advised of the possibility of such loss or damage. This is a comprehensive limitation of the PM Parties' liability that applies to all losses and damages of any kind, provided that nothing in this Agreement shall be deemed to waive any liability or any implied Warranty that is non-waivable as a matter of law.

17. Limitation of Actions. User acknowledges and agrees that, regardless of any statute or law to the contrary, any claim or cause of action that User may have arising out of or relating to User's use of the goods or services of PM or PMX must be filed on or before one (1) year after such claim or cause of action arises, or forever be barred.

18. Relationship of Parties. User acknowledges and agrees that PM and User are independent parties, and nothing herein shall be construed to create a partnership, joint venture, agency, or employment relationship. Neither PM or User has nor will have any power to bind the other party or to assume or create any obligation or responsibility, express or implied, on behalf of the other party.

19. No Third Party Beneficiary. Neither the Order nor any provision hereof is intended to create any right, claim or remedy in favor of, or impose any obligation upon, any person or entity other than the parties hereto.

20. Dispute Resolution. If a dispute arises between User and any of the PM Parties, it is the goal of PM to work in good faith with User to quickly and amicably resolve the dispute. All disputes, claims, or controversies ("Claims") arising under or relating to this Agreement, this website, or the goods or services that cannot be resolved informally, will be finally resolved by binding arbitration as described herein.

Any dispute arising under or related to this Agreement, PMX or www.playermapxray.com (including the ability to arbitrate such a dispute and the existence, validity, interpretation, performance, termination or breach thereof) shall be finally settled by binding arbitration by a single arbitrator in accordance with the then-current Commercial Arbitration Rules of the American Arbitration Association ("AAA"), with the arbitration to be commenced no later than one (1) year after such Claim accrues (in absence of which it shall be deemed forever waived). A judgment upon an arbitrator's award may be entered by any court of competent jurisdiction. The arbitrator shall be an expert in the field of Internet services. To the extent permitted by applicable law, User agrees that there shall be no class action arbitration related to this Agreement or the goods or services. Unless specifically stated otherwise in this Agreement, all parties shall bear their own expenses, except that the parties shall equally share the expenses of the arbitrator (except for the required non-refundable filing fees which shall be paid solely by the party asserting the related Claim).

The above obligations to arbitrate shall not prevent PM from seeking injunctive relief related to claims pertaining to PM Confidential Information, or prevent a party from seeking a preliminary injunction, temporary restraining order, specific performance or other procedures in a court of competent jurisdiction to obtain interim relief when deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution by arbitration of the actual dispute.

Exclusive jurisdiction and venue for arbitration or any other legal action or proceeding in any way related to this Agreement, PMX or PM shall be in Milwaukee, Wisconsin. Any matter brought before a court shall be brought solely in the state or federal courts located in Milwaukee, Wisconsin.

21. Attorney's Fees. User is responsible to PM for all attorneys' fees and costs PM may incur in enforcing any provision of this Agreement, or in connection with the successful defense or settlement of any claim or demand made by User under this Agreement.

22. Non-Waiver. Failure by PM to insist upon strict performance of any terms or conditions stated herein shall not be considered a continuing waiver of such terms or conditions or any of PM's rights hereunder. No express waiver shall affect any provision other than that to which the waiver is expressly applicable and only for that occurrence.

23. Survival of Obligations. The invalidity of any portion of this Agreement will not be deemed to affect the validity of any other provision. All obligations of this Agreement shall survive termination, cancellation or expiration for any reason, as will any other provision that by its nature is intended to survive beyond the termination, cancellation or expiration of this Agreement.

24. Force Majeure. Under no circumstances shall PM be held liable for any delay or failure in performance resulting directly or indirectly from acts of nature, forces or causes beyond its reasonable control, including, without limitation, internet failures, computer equipment failures, telecommunication equipment failures, loss of or fluctuations in heat, light, or air conditioning, or other equipment failures, electrical power failures, strikes, labor disputes, riots, insurrections, civil disturbances, shortages of labor or materials, fires, floods, storms, explosions, acts of god, war, governmental actions, orders of domestic or foreign courts or tribunals, or non-performance by third parties.

25. Entire Agreement. This Agreement constitutes the final expression of the agreement of the parties and supersedes any and all other agreements, either oral or written, between the parties hereto with respect to the subject matter hereof; except that any other terms or conditions located in the Website Terms and Conditions of Use and in the Privacy and Security Policy are incorporated herein by reference to the extent they do not diminish the rights or protections of PM or obligations of User in this Agreement. The responsibilities and rights of the parties shall be governed exclusively by this Agreement, and any attempt by User to vary this Agreement in any manner containing additional, different or inconsistent terms is hereby rejected by PM. PM's dealings with User, or silence in response to proposed change, shall not be deemed acceptance of any different terms. No person, agent or party may modify this Agreement unless acknowledged in writing by PM.

26. Electronic Signature. By checking the "I have read and agree to the terms & conditions." box on the www.playermapxray.com website, which may be accessed directly or via links integrated into a software platform owned by or subscribed to by User or User's company, User (a) confirms they have read, understand, agree to, are bound by, meet, and will continue to meet, all of the terms and conditions above, (b) represents they have all necessary authority to enter into this Agreement, (c) promises they are providing the legal equivalent of their handwritten signature, and (d) agrees to print and/or save a copy of this Agreement for their records.
